**Product description**

High quality, intensive cleaner for rims and hubcaps.

**Product characteristics**

User-friendly  
Excellent cleansing properties

**Physical and Chemical Characteristics**

Contents	:	500 ml
VOC-content	:	Approximately 9% w/w
Colour	:	Transparent red
Scent	:	Characteristic
pH Value	:	14

**Usage**

**Before use, carefully read the directions on the packaging and act accordingly.**  
**Store frost-free.**

Generously apply the Intensive Wheel Cleaner and allow to take effect.  
Remove the dirt with a wheel cleaner brush and rinse thoroughly.

When thoroughly rinsed, safe for tyres and brake parts.
